STATEMENT OF FACTS

20. The Developer is the sponsor of the Condominium.

21. The Developer is authorized to sell units in the Condominium.

22. The Condominium is comprised of more than 99 units offered for sale.

23. At the time that the subject Purchase Agreement between the parties was executed, the units in the Condominium were offered for sale as part of a common promotional plan.

24. At the time that the subject Purchase Agreement between parties was executed, there were no restrictions in place limiting the number of units Developer could sell at the Condominium.

25. Pursuant to the Condominium's New York Offering Plan, the Condominium consists of one hundred sixty (160) residential units.

26. All of the units listed in the paragraph above were offered for sale or lease to prospective purchasers, including the Plaintiffs, by the Developer.

27. The Developer continues to offer units in the Condominium for sale or lease to prospective purchasers or renters.

28. The Defendants, in their campaign to sell the units in the Condominium, have employed several instrumentalities of interstate commerce, including the United States Postal Service, electronic means of data and voice communication and non-governmental overnight courier services, such as United Parcel Service and/or Federal Express.

29. In its construction of the Condominium, the Developer has purchased goods and services which originated outside the State of New York and were transported to, and incorporated into, the Condominium, which is located in this district.

30. At all relevant times, the Developer has used the website www.5thonthepark.com to market units in the Condominium for sale and/or lease.

31. At all relevant times, the Developer has used the website www.5thonthepark.com to respond to inquiries about the Condominium.

32. Developer retained the services of Griffen Real Estate Group to assist in the marketing and sale of all of the units within the Condominium.

33. On September 12, 2007, Plaintiffs and Developer signed the Purchase Agreement (the Purchase Agreement), a copy of which is attached hereto as Exhibit A, the contents of which are incorporated by reference herein, to purchase Unit Number 16F at the Condominium (the "Unit") for \$561,700.00.

34. Pursuant to the Purchase Agreement, Plaintiffs paid the Developer a deposit of \$28,085.00, which is five (5%) percent of the purchase price of the Unit (the "Deposit").

35. In connection with the offering and sale of condominium units (which are not otherwise exempt pursuant to 15 U.S.C. § 1702), 15 U.S.C. §§ 1703(a)(1)(A), 1704 and 1705 require developers to file a Statement of Record ("Statement of Record") with the Department of Housing and Urban Development ("HUD") containing numerous required disclosures and additional information and attaching specifically required documentation in support thereof.

36. In order to be exempt from complying with the Act, Defendants would need to meet one of the exemptions set forth in 15 U.S.C. § 1702(a) or § 1702(b).

37. The Defendants have not qualified, nor can they now qualify, for any of the exemptions set forth in 15 U.S.C. § 1702(a) or § 1702(b).

38. At the time the Purchase Agreement was executed, the Condominium had over ninety nine (99) units offered for sale.

39. At the time the Purchase Agreement was executed, the Unit was not physically inhabitable and usable for the purpose for which it was purchased.

40. At the time the Purchase Agreement was executed, the Unit was offered for sale for residential purposes, i.e., to sell as a residence.

41. At the time the Purchase Agreement was executed, Plaintiffs were not allowed to live in the Unit.

42. At the time the Purchase Agreement was executed, construction of the Unit was not complete.

43. At the time the Purchase Agreement was executed, the Unit did not have working bathrooms.

44. At the time the Purchase Agreement was executed, a Certificate of Occupancy had not been filed for the Unit.

45. At the time the Purchase Agreement was executed, the Unit was not ready for occupancy.

46. The Purchase Agreement did not contain a provision unconditionally obligating the Developer to complete the Unit for the Plaintiffs within two years (or less) of the execution of the Purchase Agreement.

47. The Purchase Agreement was not evidence of indebtedness secured by a mortgage.

48. The Purchase Agreement was not for the sale of a security in a real estate investment trust.

49. The Purchase Agreement was not for the sale of a cemetery lot.

50. The Developer is not a governmental entity.

51. One form of purchase agreement for the Condominium was submitted as an exhibit to the Condominium's New York Offering Plan.

52. At the time the Purchase Agreement was executed, the Developer only had one form of purchase agreement for units at the Condominium.

53. The Purchasers did not make a personal inspection of the Unit prior to signing the Purchase Agreement.

54. The Purchase Agreement did not contain any provision requiring the delivery of a unit deed to the Plaintiffs within 180 days of the execution of the Purchase Agreement.

55. The Plaintiffs did not receive a unit deed within 180 days of the execution of the Purchase Agreement.

56. The Developer has used the mails to respond to inquiries about the Condominium.

57. The Developer has used the mails to collect payments from contract purchasers of units within the Condominium.

58. The sale of units in the Condominium was not restricted solely to residents of the State of New York.

59. Prior to the signing of the Purchase Agreement, the Developer failed to seek an exemption order from HUD regarding any exemption available under The Act.

60. The Unit is not at least twenty acres.

61. The mobile home exemption under 15 U.S.C. § 1702 is not applicable to a condominium.

62. Prior to the execution of the Purchase Agreement, the Defendants never obtained a substantial compliance exemption from HUD.

63. Prior to the execution of the Purchase Agreement, the Defendants never obtained a no-action letter from HUD.

64. Since the Developer was not exempt from The Act, it was therefore required to properly register the Condominium with HUD through the submission of a Statement of Record and provide a HUD Property Report to the Plaintiffs before the signing of the Purchase Agreement.

65. 15 U.S.C. § 1703(b) provides that any contract or agreement for the sale of a lot not exempt under 15 U.S.C. § 1702, may be revoked at the option of the purchaser until midnight of the seventh day following the signing of such contract or agreement, “and such contract or agreement shall clearly provide this right.”

66. The Purchase Agreement did not contain the provision set forth in the preceding paragraph.

67. 15 U.S.C. § 1703(c) provides in pertinent part that a contract of sale of a lot, not exempt under 15 U.S.C. § 1702, may be revoked at any time within two years of signing at the option of the purchaser where a Statement of Record is not on file with HUD and a developer has not provided the Property Report required by 15 U.S.C. § 1703(a)(1)(B) and 24 C.F.R. § 1710.3.

68. Developer never filed a Statement of Record with HUD for the Condominium.

69. Developer never provided a HUD Property Report to Plaintiffs.

70. 15 U.S.C. § 1703(d) provides that a contract of sale of a lot, not exempt under 15 U.S.C. § 1702, may be revoked at any time within two years of the signing if the contract does not contain, 1) the legal description of the unit in a form acceptable for recording by the appropriate public official responsible for maintaining land records in the jurisdiction where the Unit is located;² 2) certain notices regarding a purchaser's right to cure in the event of default;³ and 3) certain limitations on damages in the event of the purchasers' default as required by the Act.⁴

71. The Purchase Agreement did not contain any of the provisions set forth in the preceding paragraph.

72. In the offering and sale of condominium units in the Condominium, the Defendants did not comply with additional sections of The Act and participated in activities proscribed by § 1703.

73. Based on the breach by Defendants of §§ 1703(a) - (d) and other sections of The Act, and the right of action afforded under § 1709 and other sections of the Act, the Plaintiffs have an unequivocal right under The Act to rescind the Purchase Agreement and receive a full refund of all monies paid to the Defendant, plus interest, costs, attorney's fees and other costs associated with the purchase of the condominium unit.⁵

² 15 U.S.C. § 1703(d)(1)

³ 15 U.S.C. § 1703(d)(2)

⁴ 15 U.S.C. § 1703(d)(3)

⁵ 15 U.S.C. § 1709(a)-(c)

74. Since the Developer failed to fulfill any of these requirements, it has violated The Act and the Plaintiffs are not obligated to complete the purchase of the Unit and are afforded a right of rescission, as well as other remedies under The Act.

75. On September 2, 2009, Plaintiffs notified the Developer in writing that they elected to exercise their statutory right to rescind the Purchase Agreement. A copy of the notice is annexed hereto as Exhibit B.

76. Plaintiffs' written notice to the Developer of their election and demand to rescind the Purchase Agreement was timely.

77. To date, the Defendants have failed to acknowledge Plaintiffs' right to rescind the Purchase Agreement and return Plaintiffs' deposit monies, plus all accrued interest.

78. Plaintiffs are entitled to, without limitation, revocation and rescission of the Purchase Agreement, and damages, including, but not limited to, return of all earnest monies, interest, attorney's fees and expenses for this action and cost incurred, other damages and contribution from all who are liable in such manner and to such extent and to such further relief as provided under 15 U.S.C. § 1709.

FIRST CAUSE OF ACTION

(Violation of the Interstate Land Sales Full Disclosure Act – 15 U.S.C. § 1701, et seq.)

79. Plaintiffs hereby incorporate, adopt and reallege by reference, as if set forth specifically herein, each and every allegation set forth in the foregoing paragraphs of this Complaint.

80. Plaintiffs have exercised their right of rescission within two years of the signing of the Purchase Agreement.

81. Pursuant to 15 U.S.C. § 1703(e) and 1709(c) and other applicable sections, Plaintiffs are entitled to return of their down payment, interest, attorney's fees and costs.

PRAYER FOR RELIEF

82. Plaintiffs pray for judgment and declarations against the Defendants as follows:

- (3) that Plaintiffs be awarded reasonable attorney's fees⁶;

1. Agreement to Purchase. As Purchaser (sometimes hereinafter referred to as "I" or "me" or "my"), I agree to purchase from you (sometimes hereinafter referred to as "seller" or "your"), and as seller you agree to sell to me, the Condominium Unit in Fifth on the Park Condominium, at 1485 Fifth Avenue in the Borough of Manhattan, County, City and State of New York (the "Premises"), designated as Unit No. 16F, together with a 0.24% undivided interest in the common elements of the Condominium for the Total Purchase Price shown above. I am delivering to you my check for the Down Payment shown above [and a parking easement as described in the Offering Plan (defined below) and in Section 2 hereof]. This check is accepted by you subject to collection. When you deliver to me the deed for my Unit [and the parking easement](at the closing of title), I shall pay to you or anyone you designate the Balance Due at Closing shown above by unendorsed personal certified check(s) or official bank check(s) in either event drawn on banks which are members of the New York Clearing House Association.
2. Delivery of the Deed. Subject to the recording of the Declaration of Condominium and obtaining at least a temporary certificate of occupancy for the Unit, the Closing of Title shall take place at a time and on a business day designated by you on at least thirty days prior written notice (but not prior to the forty fifth day after the date of this Agreement) at the offices of Hartman & Craven LLP, 488 Madison Avenue, New York, New York 10022. You shall be entitled to a reasonable adjournment of the Closing of Title (i.e., up to twelve months) as set forth in Paragraph 22 of this Agreement. If I am not ready to close title at the date and time fixed by you, any adjournment exceeding fifteen (15) days granted at my request shall be upon the condition that all adjustments, including mortgage interest, shall be made as of the date originally fixed for the closing of title, including interest on the Purchase Price at the rate of twelve (12%) percent per annum from the date originally fixed by you for closing and the actual closing date. Nothing contained in this Agreement shall require you to grant any adjournment not reasonable in duration. The deed delivered to me

shall be a standard type of deed known as a bargain and sale deed with covenant against grantor's acts, and containing the covenant required by Section 13 of the Lien Law. If my total Purchase Price set forth at the beginning of the Purchase Agreement includes the purchase of a Parking Easement my deed will include a non-exclusive easement to gain access to and park or store a motor vehicle in the Commercial Unit of the Condominium which is identified and used as a parking garage (the one primarily located on the lower level of the Building and referred to as the "Garage Unit") subject to (i) encroachments and easements in favor of all other Unit owners that purchase such non-exclusive parking easements, (ii) such reasonable rules and regulations as may be promulgated by the Owner of the Garage Unit, and (iii) said Garage Unit Owner's continuing right to inspect, maintain and/or repair the Garage Unit. I am aware that the Sponsor reserves the right up until the first Unit closing to withdraw its offer to sell Parking Easements. Where Sponsor exercises such right any amounts paid toward any Parking Easement will be refunded or credited toward the purchase of any given Unit in connection with which such Parking Easement was being purchased. In such event, each Purchaser will have a space made available to them at a market rate of \$325.00. I shall pay the New York City and New York State Transfer Taxes on such deed. When you deliver the deed, I shall sign the power of attorney in favor of the Board of Managers of the Condominium in the form included as an Exhibit in the Condominium Offering Plan for the residential units at the Premises.

3. Receipt of Documents. You have delivered to me, at least three (3) full business days prior to my signing this Agreement, and I have read and agree to be bound by the condominium offering plan for the residential units at the Premises together with the 9 (NINE) amendments thereto, the proposed forms of Declaration of Condominium (the "Declaration") and By-Laws (both included as exhibits to the Offering Plan), Schedules, Plans and the Exhibits contained in the offering plan (collectively, the "Offering Plan" or the "Plan"), all of which are made part of this Agreement as if they were set forth in full in this Agreement. I acknowledge that I am purchasing a Unit in a Condominium and that, except as stated in this Agreement (and as set forth in the Offering Plan), I have not relied on any representations or other statements of any kind or nature made by you or other persons, including but not limited to any representations relating to the description, size or dimensions of the Unit or rooms, or the estimated common charges or other expenses of the Condominium.
4. Marketable Title. You shall convey to me good and marketable title (subject to the terms of the Declaration and By-Laws as filed and of the Offering Plan), free and clear of all liens and encumbrances except the lien of the mortgage applied for by me and except as set forth in the section of the Offering Plan entitled Closing of Title to Units; and such title as Fidelity National Title Insurance Company or any other title company licensed to do business in New York State shall approve and insure for mortgagee and/or fee title insurance. If I order fee title insurance, it shall be purchased at my own cost and expense.
5. Closing Expenses and Adjustments. I further agree to pay at the closing of title the actual cost of title examination, cost of mortgage title insurance, private mortgage insurance, if applicable, attorneys' fees for preparation of the documents necessary for the mortgage loan, any other fees charged in connection with my mortgage loan, New York City and New York State Transfer Taxes, recording charges for the deed, power of attorney in favor of the Board of Managers, and mortgage documents, the fees of my counsel and the following fees of your counsel: A closing legal fee of \$2,000 or \$2,750 (if the purchase is financed) for preparing the closing documents, reviewing any loan

documents and providing any documents of information to Purchaser's lender, if any; An additional fee of \$500 to a purchaser who schedules his Unit closing then adjourns it without giving Sponsor's counsel at least three (3) business days prior written notice of such adjournment; an additional \$500 if the closing takes place other than at the law office of Hartman & Craven LLP, (or \$1,000 if the closing takes place outside of Manhattan). I agree to make all other adjustments (i.e., mortgage recording tax) and pay at the closing of title an amount equal to one month's common charges attributable to my Unit representing my share of the initial working capital for the Condominium. In addition, I shall adjust with you as of 11:59 PM on the day preceding the date of the Closing of Title all real estate taxes and any common charges assessed during the month in which title closes or established as a reserve based upon the last bill received. In addition, I agree to make all other adjustments (i.e., mortgage tax) and pay all closing costs as enumerated in the section of the Offering Plan entitled Closing Costs and Adjustments. Any errors or omissions in computing apportionments at closing shall be corrected. Payment shall be made promptly to the party owed. This provision shall survive closing of title and delivery of the Deed for six months.

6. No Financing Contingency. I understand that none of my obligations under this Agreement are contingent or conditional upon my ability to obtain a loan, and that, therefore, if I do not obtain a loan and I am unable otherwise to procure the monies needed by me to pay the Balance Due at Closing (as referred to at the beginning of this Agreement), I will be in default under this Agreement whereby I may lose/forfeit my Down Payment hereunder.

7. Escrow or Bonding of Down Payment. You shall hold all Down Payment monies you receive from me, directly or through your agents or employees, in an escrow account until actually employed in consummation of the transaction. At your sole discretion, however, you may secure a bond or letter of credit in my favor in an amount equal to the full Down Payment and Additional Payment monies received. If you post such a bond or letter of credit you will file an amendment to the Plan with the New York State Attorney General before posting the bond or letter of credit.

If no bond or letter of credit is posted, such Down Payment funds shall be held as trust funds pursuant to Sections 352-e(2)(b) and 352-h of the General Business Law, in a special account entitled "Hartman & Craven LLP Attorney Trust for Fifth on the Park" in Citibank, N.A., One Court Square - 460 Park Avenue, New York, New York 10022. The signature of a partner of Hartman & Craven LLP, as the attorney for the Seller, shall be required to withdraw any of such funds. Such funds shall be payable to you upon the closing of title to the Unit covered by the Purchase Agreement or upon the posting of a bond or letter of credit in my favor as described above. Interest, if any, earned on such funds shall be turned over or assigned to me at the closing.

In the event of my default under this Purchase Agreement, which default continues for fifteen (15) days after notice of such default from you to me, all such funds, including interest, if any, earned thereon, shall be released to you from such account as liquidated damages and thereafter neither you nor I shall have any rights or obligations against or to the other. In no event shall such liquidated damages exceed ten (10%) percent of the total Purchase Price of the Unit, plus the cost of Special Order Work (as hereinafter defined), if any, together with interest, if any, earned on such sums.

All funds received by you shall be handled in accordance with the provisions of Sections 352-e(2)(b) and 352-h of the General Business Law and shall be employed by you only in connection with the consummation of the Plan.

I understand and acknowledge that in the event a conflict should arise over the disposition of

the escrow funds, the Escrow Agent may represent you in such dispute. I hereby also authorize the Escrow Agent to disburse my payments held in escrow account to you or at your direction at closing. I understand that the Escrow Agent is only responsible for the duties assigned to it in the Offering Plan.

8. Your Rights If I Fail to Keep My Promises and Agreements. All sums I pay you on account of this Agreement and the reasonable expense of the examination of title to the Unit shall constitute liens on the Unit. Such liens shall not continue, however, after default by me under this Agreement. You shall have the right to keep my Down Payment and all interest earned on it and the cost of any Special Order Work (as hereinafter defined) if (a) I do not pay the Total Purchase Price for my Unit when due or (b) if when you offer to deliver to me the deed to my Unit I do not then sign any of the documents referred to in the Plan which I am required to sign or (c) if I fail to keep any other promise contained in this Agreement. Your rights shall apply whether or not construction of my Unit has begun or has been completed.

The foregoing notwithstanding, before you shall have the right to keep my Down Payment and the interest earned on it and the cost of Special Order Work, you must first send me a notice stating that you intend to cancel this Agreement and describing each promise that you think I did not keep under this Agreement. If I do not cause each of these promises to be kept within fifteen (15) days after your notice is sent, you may keep my Down Payment and all interest earned on it and the cost of Special Order Work. After that, neither you nor I shall have any further obligations under this Agreement; this Agreement shall be considered canceled without any further action by either of us; and you shall have the right to sell my Unit to any other person.

9. Recording of Condominium Declaration. I understand that the Declaration and By-Laws for the Condominium was/will be recorded by you in the Office of the Register of the City of New York, New York County, prior to the Closing of Title to the first Residential Unit as set forth in the Offering Plan, and that you filed/will file with the Declaration when it is/was recorded a verified statement of a registered architect or licensed professional engineer certifying that the plans filed fully and fairly depict the layout, location, Unit designation and approximate dimensions of my Unit as built. The Declaration and By-Laws, are/will be substantially in the form of the Declaration and By-Laws set forth in the Offering Plan as amended and any changes in such documents shall not have a material adverse effect upon me.

10. Seller's Inability to Deliver Deed Cancellation of Purchase Agreement. It is understood and agreed that in the event you are unable to deliver to me a deed to the Unit in accordance with this Agreement because of your inability to complete the construction of the Unit or the filing/recording of the Declaration in accordance with the Offering Plan and any amendments to the Plan, then you shall immediately notify me in writing and this Agreement will terminate. In such case, the sole liability between us shall be the return to me of the Down Payment together with interest, if any, earned thereon.

11. Agreement Subject to Mortgages. I understand that you have borrowed or may, in the future, borrow money to construct the Units of the Condominium and will give to your lender a construction or development loan mortgage. I recognize and agree that all terms and provisions of this Purchase Agreement are and shall be subject and subordinate to the lien of any building loan mortgage on the condominium property heretofore or hereafter made and any advances heretofore or hereafter made thereon, and any payments or expenses already made or incurred or which may hereafter be made or incurred pursuant to the terms thereof, to the full extent thereof without the execution of any further legal documents by me. This subordination shall apply whether such advances are voluntary or

shall be by ordinary mail addressed to me at the address set forth at page one of this Agreement.

15.Seller's Right to Make Changes. I understand that you have the right to make changes or substitutions of materials or equipment (including appliances and fixtures) for items referred to in the Offering Plan or in the building plans, provided any such substitute materials or equipment are not of substantially inferior quality or design.

16.Warranties. At the closing of title you shall deliver the certificates and warranties for appliances and equipment in the Unit which are in your possession and transferable to me or to the Condominium. Your liability under the manufacturers' warranties covering heating units, air conditioning units, appliances and roofing are limited solely to the extent that such warranties are delivered to you, transferable to me or to the Condominium and then only as against such manufacturer.

17.Lack of Labor/Materials; Seller's Right to Cancel. I understand that you may either: (a) adjourn the Closing for up to twelve months; or (b) cancel this Agreement by forwarding a check in refund of the full amount paid by me, together with interest, if any, earned thereon, in either event together with a notice in writing, addressed to me, at my address set forth at page one of this Agreement, in the event of the occurrence of either of the following: (1) that any governmental bureau, department or subdivision imposes restrictions on the manufacture, sale, distribution and/or use of materials necessary in the construction of the Units and such restriction shall prevent or significantly delay you from obtaining such materials from your regular suppliers or from using them in the construction and/or completion of the Units; or (2) that you are unable or having a significant delay to obtain materials from your usual sources or complete the contemplated construction due to strikes, lockouts, war, military operations and requirements, national emergencies, the installation of public utilities is restricted or curtailed, or other force majeure. I acknowledge that except as otherwise specifically provided in the Plan, I shall not be excused from paying the full Purchase Price, without credit or set-off, and shall have no claim against you for damages or losses, in the event that the Closing Date occurs substantially later than the projected date, or the time to complete or to close title to the Unit is delayed or postponed by you as herein provided.

18.Risk of Loss. The risk of loss or damage to the Unit by fire or any other cause until the delivery of the deed is assumed by you.

19.Existence of Liens - Not Objection to Title. The existence of unpaid taxes or liens of any kind at the time of title closing shall not constitute an objection to title, provided you shall deposit a sufficient amount of money with or give other assurance to a title company so that said company shall be willing to either omit same as exceptions or insure against collection of same from my property. I agree that you may pay and discharge any liens and encumbrances upon the property which are not otherwise provided for in this Agreement out of the monies to be paid by me at the time of Closing Title.

20.Possession Prior to Closing. It is expressly understood and agreed that I may not take possession of my Unit prior to the time of the delivery of the deed and full compliance by me with the terms of this Agreement. I understand that if I violate this provision you shall have the right to remove me from the premises as a squatter and intruder by summary proceedings. Upon my unauthorized possession, I shall be deemed in default of this Agreement. At your option and upon such election, all monies paid by me shall belong to you as liquidated damages. It is

further understood and agreed that you shall not be responsible for damage or loss to any property belonging to me whether same is delivered to the property on or after the closing of title.

21. Execution of Required Documents, etc. I agree to deliver to you all documents and to perform all acts required by you to carry out the provisions of the Offering Plan, establish the Condominium and conform to the provisions of all applicable laws and regulations, including, without limitation, execution and delivery of the deed, power of attorney, and requisite transfer tax forms. This paragraph shall survive delivery of the deed.

22. Right of Rescission. The Sponsor expects the first closing of a Unit to occur on or about September 15, 2008. As Purchaser you will be offered rescission if Sponsor is unable (unless such inability arises or results from the purchaser's default) to close under a Purchase Agreement within twelve (12) months after the anticipated date of first closing of a unit.

23. Options Ordered. Any extras or changes ordered by me, whether reflected in an Exhibit or attachment to this Agreement or ordered after execution of this Agreement will be deemed Special Order Work and must be signed for by me, must be approved by you, and must be paid for in full at the time of such order or at any other time payment for same is requested by you. If for any reason you fail to perform any such Special Order Work in accordance with the work order, your sole responsibility to me is to return the monies paid by me for such extras.

24. Binding Nature of Purchase Agreement, Assignability; Notice. I agree that this Agreement is binding upon us, our respective heirs, executors, administrators and/or assigns. I agree that I will not record, give, sell or assign my rights in this Agreement without your prior written consent. Unless another method is provided for in this Agreement, any notice to be given to each other shall be in writing and sent by hand delivery or by certified mail return receipt requested to the address shown on page one of this Agreement or to such address as either of us may later designate to the other in writing.

25. Amendments to Offering Plan. I understand that you reserve the right to amend the Plan and any of the exhibits thereto at any time and from time to time and that I will receive a copy of each such amendment, and in that event this Agreement shall be deemed to refer to the Plan as amended; provided, however, that if an amendment made prior to my Unit Closing makes any adverse material changes, I may elect within fifteen (15) days after receipt of each such amendment to cancel this Agreement by written notice to you. In the event of such cancellation, any payments made by me hereunder shall be returned to me without interest, unless the monies are held in an interest-bearing account in which event they shall be returned with the interest accrued, and I shall have no further rights or obligations hereunder. If I do not elect to cancel this Agreement as set forth above, this Agreement shall remain in full force and effect.

26. Purchasers - Agents for Each Other. If two or more persons are named as the Purchaser herein, any one of them is hereby made agent for the other(s) in all matters of any and every kind or nature affecting the premises herein or this Agreement (including, without limitation, agent for receiving and accepting notices and service of process).

27. Broker. I hereby represent that I have dealt with no broker in connection with this sale other than GRIFFIN REAL ESTATE GROUP and NEW YORK RESIDENCE. I agree to

upon my acts.

28. Definitions. The term "I" shall be read as "we" if more than one person is a purchaser in which case our obligations shall be considered joint and several.

29. Entire Agreement. This Agreement states the entire understanding between us and we shall not be bound by any oral or other representations and/or agreements except as otherwise may be set forth in the Offering Plan. Any conflict between this Purchase Agreement and the Offering Plan shall be resolved in favor of the Plan.

30. Jury Waiver. I waive my right to trial by jury in any action, proceeding or counterclaim in any way connected with this Agreement or the Plan.

31. Survival of Seller's Obligations. You shall have no obligations under this Agreement or the Plan after you deliver to me the deed to my Unit unless this Agreement or the Plan specifically gives you an obligation after that time.

32. Captions. The captions in this Agreement are for convenience only and are not part of the meaning of this Agreement.

33. Plain Language. I have read this Agreement and understand it. Under New York law (General Obligations Law Section 5-702), I know that as a consumer I have a right to an agreement written in clear and simple language.

Re: David Barstow, Brian Smith and John McAteer, Unit 16F

Dear Sir/Madam:

Our office represents David Barstow, Brian Smith and John McAteer (the "Contract Purchasers"), contract purchasers of Unit Number 16F in the condominium property being developed by Fifth on the Park, LLC, known as Fifth on the Park Condominium (the "Condominium"). Now that you know we represent the Contract Purchasers, irrespective of any prior contractual provisions with Fifth on the Park, LLC, you are not to have any further communications with the Contract Purchasers, and all communications should be directed to me.

The Purchase Agreement was executed on or about September 12, 2007 (the "Purchase Agreement"). Our clients have asked that we review the Purchase Agreement and related documents to determine their rights with respect to this transaction.

September 2, 2009
Page 2

As a result of our review and analysis of the relevant documents, the Contract Purchasers have conveyed to me their decision to exercise their right to revoke the Purchase Agreement. The Contract Purchasers' right to revoke is based upon, among other rights set forth below, a failure of Fifth on the Park, LLC to comply with the requirements of the Federal Interstate Land Sales Full Disclosure Act, 15 U.S.C. 1701, et seq. (the "Act"). The Act provides, among other things, that it shall be unlawful for a developer to offer or sell property that is not exempt from the requirements of the Act unless a Property Report prepared in accordance with the provisions of the Act and approved by the Department of Housing and Urban Development is delivered to the purchaser in advance of their signing a purchase contract. Our review of the documents and a verification of the status of the Condominium Unit at the time the Purchase Agreement was executed, shows that there is no legitimate basis for an exemption from the requirements of the Act. Furthermore, the fact that no Property Report prepared in accordance with the requirements of the Act was delivered to our clients and a check with the Department of Housing and Urban Development shows that no such registration was ever consummated by Fifth on the Park, LLC, establish a complete disregard for the requirements of the Act. Consequently, our clients hereby assert their right to revoke and rescind the Purchase Agreement pursuant to the Act and demand a full and complete refund of all earnest monies paid, including interest earned thereon.

Accordingly, the firm of Hartman & Craven, LLP, as escrow agent for Fifth on the Park Condo, LLC, shall not disburse the monies held in escrow. Demand is hereby made of Hartman & Craven, LLP to immediately confirm for me in writing that the monies will remain in escrow pending this dispute. If same is not immediately received, Hartman & Craven, LLP will be named as a defendant in any future lawsuit. If such funds are disbursed without authorization from this firm, the Contract Purchasers will pursue a claim of conversion, amongst others, against Hartman & Craven, LLP.

There are additional remedies available to our clients with respect to this transaction, including the rights afforded under the General Business Law associated with the Offering Plan filed with the Attorney General's Office, as well as remedies pursuant to applicable consumer protection laws and other claims under common law.

While these additional rights and remedies are provided for purposes of your edification, the failure to comply with the requirements of the Act gives the Contract Purchasers the absolute right to revoke and rescind their purchase and receive a full refund of all monies paid. Please note that the Act also provides for attorneys fees, interest, any reasonable and consequential damages and costs. In addition, your failure to notify our clients of their rights under the Act in the Purchase Agreement may entitle our clients to additional claims under the Act.

Hopefully, an escalation of this matter can be avoided. Consequently, we request that you refund the sums paid to you by the Contract Purchasers, totaling \$28,085.00, plus all accrued interest thereon as required by law. These funds should be delivered by you to my office, payable to The Trust Account of Wilentz, Goldman & Spitzer, P.A., attorneys for David Barstow, John McAteer and Brian Smith, no later than September 9, 2009.

September 2, 2009

I look forward to a rapid response and full refund of my clients' funds.

Very truly yours,

A handwritten signature in black ink, appearing to read "L. Weiner".
